WACHA's Payments University is an intensive educational experience designed to help you achieve a higher understanding of the payments system.

For a truly comprehensive, concentrated educational experience right here at home, plan on attending WACHA's 3rd annual *Payments University*. Similar to NACHA's The Payments Institute, our version is a two day (versus five days) event and is located right here in the heart of Wisconsin at the Kalahari Resort in Wisconsin Dells.

WACHA's Payments University is designed to help you achieve a higher understanding of the payments system – regardless of your knowledge level – by offering two tracks to accommodate both the novice to the ACH system and the experienced payments professional. However, in order to benefit from this intensive educational experience to the fullest, we highly recommend that you select one track and stick with it.

The Basics Track will provide those with limited ACH experience, or those who need to brush up on their ACH knowledge, an overview of the ACH system. The Advanced Track is designed to provide those individuals with more experience, and those who have or plan to obtain their AAP accreditation (or for those who already have it, to retain it), to expand their knowledge and understanding of the payments system.

The sessions begin on Monday, August 17, 2009 at 10:00 a.m. and conclude on Tuesday, August 18, 2008 at approximately 3:30 p.m. This year Lee Wetherington, SVP, Goldleaf will help kick things off.
